Email: sstafford@blc.edu

Camp Indianhead is held at Lutheran Island Camp, between Fergus Falls and Alexandria, MN. Counselors stay at camp free of charge. As funding allows, counselors are reimbursed for your travel expenses and receive a small stipend. You will be in charge of a cabin. You will also be asked to help out with camp activities, sporting events and the general supervision of the campers. Counselor and junior counselor training will take place on Saturday, July 6, so counselors and junior counselors need to arrive the evening of July 5.
